A NOTE FROM YOUR PASTOR

Dear SKD Families:

Praise be Jesus Christ! Now and forever. Amen. A brief note to say “Thank you” to all of you for your prayers while I am out sick. After the busyness of the Christmas season and with viral and bacterial infections going through our families and neighborhoods, pastors are not exempt from getting sick too. Last week, I took sick, and the doctor ordered some rest and relaxation. So, over the next few weeks, I will be reducing my usual parish work schedule and indulge in some much-needed rest. I recommend the same for any SKD member who finds themselves not well too.

In fact, this is a great opportunity to reiterate SKD’s sick policy:

Take care of yourself and one another. If you are sick, or know someone who is ill for whatever reason, please contact the parish office at (239) 283-9501 so our parish can pray for you and your caregivers. If you are sick, do not worsen your illness by trying to get to Church. **Your obligation to participate in Mass is not required for those who are sick.** One of our priests or homebound ministers would be happy to bring the Word of God and Holy Communion to you if you need to stay home because of illness or because you are caring for a sick family member. Also, if you are seriously ill, the Church wants to celebrate with you the Sacrament of the Anointing of the Sick. Contact the parish office, so we may care for you and your loved ones during your time of illness.

For Church ministers, it’s often hard for us to stay home and care for ourselves when we’re ill. We tend to push ourselves over our limits because we want so much to do our ministry and to help others. But let’s also remember the safety announcement we hear before every flight: “Put your mask on first, then assist others.” Take care of yourself so that you can take care of others.

United in the holy Eucharist,

-Father Ricky

Advance Care Planning

A Proactive vs. Reactive Approach

Did you know that nearly three out of four people over the age of 65 will need some form of help with everyday activities as they get older? Healthy aging means having a plan in place so that you are proactive vs reactive in a crisis situation. There are several programs and living options available to you in SWFL to aid in the success of aging gracefully however these services are not always available at the push of a button, so it is important to have an understanding of the best places to find trustworthy advice and accurate information in advance. Join SBB University and our area experts as we explore topics designed for you to be proactive vs reactive when planning for aging.

Statement on the Day of Prayer for the Legal Protection of Unborn Children January 22, 2024

Dear Brothers and Sisters in Christ,

Our fidelity to Christ calls us to uphold and protect the inviolable dignity and sanctity of all human life from the moment of conception until natural death. Great progress has been made in recent years to protect women and their preborn children in Florida. That progress, as noted below, is at great risk.

We are encouraged that our state's 15-week abortion limit remains in effect as the Florida Supreme Court considers a challenge to it. The legislature's passage of a bill to further limit abortion to six-weeks of gestation during the 2023 session and its approval by Governor DeSantis is a momentous achievement. This legislation also increases resources to pregnant women and young families through the Florida Pregnancy Care Network almost six-fold. If the 15-week law is upheld, the further limit to six weeks will go into effect thirty days later, ushering in a new era. Much remains to be done to properly recognize the dignity of the child in the womb, but this marks tremendous progress in the legal protection of preborn children in Florida.

This progress, as well as gains made over the past several decades to protect women and their preborn children from the harms of abortion, is at significant risk. An extreme ballot initiative proposing to amend our state constitution to legalize full-term abortion is of grave concern. If ultimately passed, the amendment would legalize abortion up until birth, including when the baby is capable of feeling pain. While the proposed amendment permits parental notification, the amendment would eliminate the current law requiring parental consent for a minor daughter to receive an abortion.

As is required of the petition initiative process, the proposed ballot language is under review by the Florida Supreme Court. In our briefs to the Court, we contend that the ballot title and summary are misleading, which should preclude its placement on the ballot. The title states the amendment "limits" government interference with abortion when the amendment actually prohibits all regulation before viability. Neither does the language provide fair notice of its impact on existing statutory protections for women. If this extreme amendment ultimately appears on the November 2024 ballot, we urge all Floridians to "vote no."

A healthy society can only continue to flourish if based on a consistent recognition of the rights of each individual, especially the weakest and most defenseless. With this in mind, we remain committed to pursuing full legal protection of preborn children and continue to support efforts to offer practical assistance and accompaniment to women and their families experiencing difficulties during pregnancy and beyond. We invite all people of good will to join us in these endeavors.
